

For Our Neighbors Fund 2021 Sponsorship Opportunities

Virginia Hospital Center provides world-class healthcare throughout the Northern Virginia region. The For Our Neighbors Fund ensures that access to the same level of care can be provided to every member of our community — regardless of the ability to pay. The Fund directly supports the Hospital's Cancer Resource Center, Outpatient Clinic, Senior Health Department and VHC Pediatrics. These vital departments provide services for those most in need.

**Join us in the inaugural year of the For Our Neighbors Fund.
Together, we will lift up our neighbors.**
